From £16150 (RRP)

TRANSIT CONNECT RANGE HIGHLIGHTS

A GUIDE TO KEY MODEL LEVELS

L1 Base 1.6TDCi 75PS

From **£14,326 ***

It may be the Base, but it's anything but basic, with its powerful 220Nm torque 1.6TDCi engine. Power windows and remote central double locking are standard, together with a DAB Radio with USB & Bluetooth Voice Control, plus a side load door and full steel bulkhead. And the standard ESC system brings Trailer Sway Assist, Hill Start Assist and Load Adaptive Control to help keep you on the right path.

L1 Trend 1.6TDCi 95PS

From **£15,626 ***

Also available with the 1.0T EcoBoost

For even more comfort, equipment and power, choose the Trend 95PS, or opt for our award-winning EcoBoost petrol. As well as distinctive external features it brings a multi-functional dual passenger seat with load-through hatch to swallow long loads, Ford's SYNC audio with Emergency Assist, power/heated mirrors and Quickclear heated windscreen. And in the rear you'll find a durable floor liner and 12V socket.

L1 Limited 1.6TDCi 115PS

From **£16,926 ***

For the ultimate 'business card' on wheels, choose the Limited. With 115PS and up to 285Nm, 16" alloy wheels and all-body coloured exterior, it makes a strong impression. Inside the driver can enjoy Dual Zone Climate Control, a leather steering wheel, cruise control and a heated seat. And it's all protected by a Thatcham Cat 1 alarm and rear parking sensors.

* 'On The Road' price excluding VAT includes £475.53 delivery charge, one year's road fund licence, DVLA first registration fee of £55 and an estimated £21 for number plates.

* No 5-seat version is available.

⁰ The CO₂ emissions test figures shown in the table do not express or imply any guarantee of the emissions or fuel economy of a vehicle in the class in question. All the figures are based on tests conducted on vehicles with standard wheels and tyres. Optional or Accessory wheels and tyres may have an effect on the emissions or fuel consumption of a vehicle. For further information on CO₂ and fuel performance please refer to our Fuel, Performance and Emissions section.

† 'On the road' price includes £475.53 Delivery charge (excl VAT), one year's Road Fund Licence, £55 DVLA first registration fee and an estimated £21 excl VAT for number plates. ^ Kombi M1 OTR price is inclusive of VAT

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 2014/15 tax year. For M1 vehicles P11D value is the sum of Recommended Retail Price including VAT, Delivery Charge of £570.64 incl VAT and an estimated £25 incl VAT for number plates.

Ø Vehicles can either be specified with a separate Passenger Airbag, or a complete airbag pack consisting of a Passenger and Curtain Airbag Restraint Pack ordered with a Driver and Passenger Side Airbag Seat Pack.

Double-Cab-in-Van models are fitted with front row side and curtain airbags only

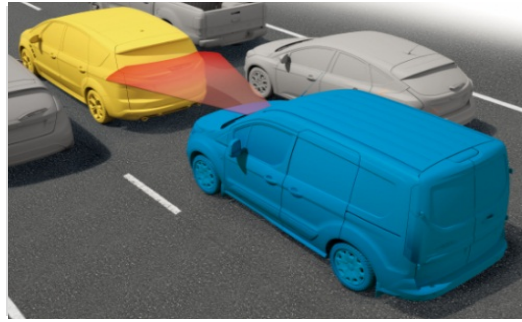

1. Must be ordered in conjunction with manual air conditioning, at extra cost

2. Must be ordered in conjunction with Ford SYNC Audio system, at extra cost

1.6 Duratorq TDCi		x			

*whichever is sooner

'On the road' prices include delivery to dealer, one year's Vehicle Excise Duty (see below), Government first registration fee and an estimate for number plates.

The delivery charge will be made on all vehicles for delivery to Dealer's premises. Where delivery is not made to the customer at the dealer's premises, a further charge may be made by the dealer.

The Vehicle Excise Duty (VED) charged on new passenger vehicles (M1) is based on their engine's CO₂ emissions* (expressed in grammes per kilometre (g/km)). *CO₂ emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended.

The Vehicle Excise Duty (VED) charged on new commercial vehicles up to 3500 kg (N1) is a fixed rate of £225

The chart above shows the Bands and the VED which will be levied (effective 1st April 2014).

For our full range of Ford accessories, visit www.ford-accessories.co.uk

¹ Pack includes: First Aid Kit and Warning Triangle
² Kit includes: First Aid Kit, Warning Triangle, Hi-Visibility Vest and Gloves

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name. Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

FUEL, WEIGHTS AND EMISSIONS

Powertrain	Gross payload (kg) ⁰	Gross vehicle mass (kg)	Kerb mass (kg) ^u	Front axle plated mass (kg)	Front axle kerb mass (kg)	Rear axle plated mass (kg)	Rear axle kerb mass (kg)	Max. GTM (kg)	Trailer Plate (kg) braked (unbraked)	Fuel consumption in mpg (L/100 km) ⁰⁰			
										CO ₂	Urban	Extra Urban	Combined

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey, number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age; mileage, condition and standard of maintenance; use of vehicle features such as air conditioning and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel figures (below) in day-to-day driving although the vehicle is technically capable of doing so.

1.6 Duratorq TDCi (95 PS (70 kW)) with Auto Start-Stop	725	2230	1505	1125	880	1250	624	3180	1200 (750)	119	56.5 (5.0)	65.7 (4.3)	61.4 (4.6)

L1 = Short wheelbase, L2 = Long wheelbase ⁰**Payload** = Gross vehicle mass, less kerb mass. All kerb masses quoted in this brochure are subject to manufacturing tolerances and are for Base models with minimum equipment and excludes spare wheel. Trend and Limited models will have greater kerb masses and, therefore, lower payloads due to the increased amount of standard equipment. Any additional options specified on the vehicle will reduce the payload accordingly. ^u Represents the lightest kerbweight assuming full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. **Note** all diesel engines are fitted with a standard vDPF (vaporiser Diesel Particulate Filter).

⁰⁰The declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a vehicle, driving behaviour as well as other non-technical factors are very important in determining a vehicle's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger vehicle models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>.

^URepresents the lightest kerbweight assuming full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. **Note** all diesel engines are fitted with a standard vDPF (vaporiser Diesel Particulate Filter).

^{ØØ}The declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a vehicle, driving behaviour as well as other non-technical factors are very important in determining a vehicle's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger vehicle models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>.

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list is effective from 1st January 2015, and supercedes all previous price lists. The prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes in view of Ford's policy of continuous development. The right is reserved to change prices at any time. Change to government legislation or tax changes could result in a change to published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
