OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Customer Order Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. However, the Customer Order Price Protection plan does not cover any changes in price that are outside the control of the dealer and/or Ford Motor Company Limited (including any changes in tax charges (such as VED), registration fees and number plate charges). In particular, **please note** Ford Motor Company Limited is not liable to you for any changes to your vehicle's On the Road price as a result of changes to VED effective 1st April 2017.

Your Dealer has full details of the Customer Order Price Protection plan. Subject to terms and conditions.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list is effective from 20th January 2017, and supercedes all previous price lists. The prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes in view of Ford's policy of continuous development. The right is reserved to change prices at any time. Change to government legislation or tax changes could result in a change to published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
